Doing ^{it} Right in **HARD TIMES**

In light of the challenging economic climate, WCBR presents a double header - two for the price of one! Come hear WCBR legal counsel Edward I. Sumber and WCBR Deputy Executive Officer Richard Haggerty discuss the things every agent needs to know to stay out of trouble, including short sales, the commission escrow act, rental listing practices, the importance of establishing an office privacy policy -- and these are just a sampling of the topics that will be addressed!

Real Estate continues to become more and more complex but this session will provide the information you need to avoid those hidden landmines.
